

SITE SHOWING NOTES

DSR 119-16-001: Big Sugar Creek at West Mountain Road Bank Stabilization

DSR 119-16-002: Big Sugar Creek at Buzzard's Glory Road Bank Stabilization

DSR 119-16-003: Buffalo Creek at May Road Bank Stabilization

- SHOWING DATE** Mandatory pre-bid site showing at 10:00 a.m., 15 August 2016, at the McDonald Courthouse, Pineville, MO.
- WORK** Work is to stabilize & restore eroded banks with rock riprap and rock fill as described on the associated plans. Stabilization may require removal of a limited amount of vegetative debris within the work area. No trees shall be claimed by the contractor.
- PROJECT SITE** Indicated in associated plans and project site roadmap.
- CONTRACT** Contracting of this work is the responsibility of the McDonald County Commission. Submit invoices for Lump Sum payment after contract is completed.
- BID DEADLINE** Submit bids to the McDonald County Clerk by 1:00 p.m., 21 August 2016.
- BID OPENING** 1:00 p.m., 21 August 2016, at the McDonald County Commission Office in the courthouse in Pineville. The commission retains the right to reject any or all bids.
- BONDING AND INSURANCE** Proof of at least \$2M liability insurance and \$100k workmen's compensation must accompany the bid. A performance bond will be required prior to issuing a notice to proceed.
- WORK HOURS** Maximum six (6) days per week, not exceeding ten (10) hours per day, Monday through Saturday. Overtime pay requirements are established by the contractor within the guidelines of the contract.
- PERFORMANCE TIME** Notice to proceed will be issued within 10 days of bid opening. All work must be completed prior to **17 December 2016**.
- APPARENT LOW BIDDER** Apparent low bidders for multiple projects will need to submit a work plan showing how the projects will be accomplished within the allotted time. Low bidders shall also submit an equipment & labor listing to the commission for evaluation prior to letting bid.

QUANTITY VARIATIONS	All payments will be made for lump sum work. No quantity variations allowed.
PAYMENT	Final payment available once project is complete. Request reimbursement from the McDonald County Commission.
WAGES	Davis - Bacon wage rates apply.
SAFETY	Follow OSHA rules regarding on the job safety. It is recommended that at least one employee on site have a current first aid certificate.
POLLUTION CONTROL	All work will be done in accordance with the terms and conditions of the Corps of Engineers General Permit (GP 41). Contractor must maintain a copy of the permit on site at all times.
WORK LIMITS	Keep equipment as close as possible to the work area to minimize damage to private property.
SITE CONDITIONS	Prior to leaving site, areas damaged by equipment during the construction process must be smoothed and seeded by the contractor. Complete seeding according to plan specifications.
TRAFFIC CONTROL	Contractor shall submit a traffic control plan to the county commission for approval prior to construction.
QUALITY CONTROL	Contractor shall have a superintendent appointed at all times during construction.
CONSTRUCTION SPECIFICATIONS	Color full-size plans, Construction Specifications, and the US Corps of Engineer General Permit 41 are posted for contractor reference at http://www.mcdonaldcountygov.com/bids-qualifications.php . It is strongly recommended that each potential bidder review these documents in their entirety prior to submittal of their bid.
TECHNICAL	Refer technical questions to the US Department of Agriculture Natural Resources Conservation Service (USDA-NRCS) representatives listed at the bottom of the page.
